3rd Street Dance is proud to be a **More Than Just Great Dancing™** affiliated studio! MTJGD is a licensed affiliation of dance studios that subscribe to a high standard of dance instruction and management practices and are united in their belief that dance has the power to change lives.

We have chosen to align ourselves with this organization because we believe in upholding certain standards while educating children and are committed to creating a positive, safe, encouraging, and welcoming dance studio for all!

We are excited to offer our **Star Leadership Training Program** to our students ages 8-10 and 11-18.

This class curriculum is based on the character values of Trust, Service, Love, Excellence, and Growth. Check our schedule for this awesome opportunity.

Miss Alice, Owner, and Director is delighted to have the opportunity to have this studio and help children and adults cultivate a love for dance, like her teachers did for her. Alice believes that kids should be kids as long as humanly possible and dance should teach life lessons.

At 3rd Street Dance, we are happy to be a second home to many of our students. Our costumes, choreography, and music are always age-appropriate and our students and families do many community service events throughout the year.

After 25 years of sharing the love of dance in our community, Alice and her staff are proud to see so many of our students grow up to thrive in their communities!
